Office of the Inspector General of Police in Mysore,

No. 1979/194 Bangalore, dated the 2nd December 1913.

From

C. Srikantesvara Aiyar Esquire, B.A., B.L.,
Inspector General of Police in Mysore.

To

K.R. Sreenivasiengar Esquire, M.A.,
Secretary to the Government of H.H. the Maharaja of
Mysore, General and Revenue Departments.

Sir,

I have the honor to state that since the formation of the Provincial Special Reserve Police Force in Bangalore, the Officers in charge of it were being provided with accommodation to live in the Reserve Lines. The principle of providing such accommodation and the object in view being to keep these Officers continuously on the alert and ever ready to start with the Force (a semi-military one) at any moment, on the call of any sudden emergency and to enable them to reside within the Lines at other times devoting the whole of their energies and paying utmost attention to drill and other disciplinary rules calculated to keep the Force in a high state of efficiency and readiness to cope with the situation. As Government are well aware of, such occasions have been often times, when the Force were called cut for duty at such short notices as two hours.

2. When, however, the Special Reserve Forces which had been stationed in Mysore, Shimoga and Tumkur were concentrated in Bangalore in 1905, accommodation had to be provided for these extra men. At the same time the old Special Reserve Lines were in urgent need of repairs and that opportunity was taken to overhaul the

2

Lines with sundry additions and alterations. But the building was quite insufficient to accommodate all the men and subordinate officers and others; and so some officers and men have since then been forced by dint of circumstances to live outside the Lines, scattered in various parts of this much expanded City to the greatest inconvenience and detriment of the morale of the Force.

3. The Inspector whose quarters in the Lines had been demolished and altered for the accommodation of the men and his office, was then permitted to occupy the quarters at the High Ground intended for the Chief Constable of that Division. This building was not occupied by the City Chief Constable on account of the unhealthiness of the building and the locality. Nevertheless, the Special Reserve Inspector was forced to occupy the building.

4. Subsequently, the presence of the High Ground Inspector on the spot was felt very necessary on account of the large number of European population in its vicinity, whose complaints needed promptest attention of a responsible Divisional Inspector. Consequently, the Special Reserve Inspector was ordered to vacate the quarters and he has been for the past one year living at a place very remote from the Lines paying a heavy rent. Similarly, the Special Reserve Sub Inspector also has had to live not near the Lines.

5. But, it is not possible to allow this arrangement to continue any longer, lest such an arrangement should be much to the detriment of the efficiency of the Force and hamper the prompt action in times of emergency. Hence, it is very essential that the Inspector and Sub-Inspector should be provided with Government quarters near the Lines as early as possible. Till then, I beg to recommend that they may be given a house rent of Rs.25/-

3

and Rs.15/- respectively in order to enable them to live as near the Lines as is necessary and possible. Since, the prevailing rate of house rent is very high, it is not possible to procure buildings for rent less than that recommended for.

6. I request, therefore, that you may be so good as to obtain the very early sanction of Government to this proposal.

I have the honor to be,

Sir,

Your most obedient servant,

N. Kanagarajan

Inspector General of Police.
